GLOBAL CHEF SHARES THE FLAVORS OF SWEDEN

PRESENTED BY CHEF KRISTIAN ERIKSSON

Chef Kristian Eriksson was inspired to become a chef by his grandmother Mai, who "puts magic in the simplest things." He follows her lead by using fresh, diverse flavors in his role as Executive Chef at AstraZeneca's Restaurant Oazen in Södertälje, Sweden. Using seasonal and ever-changing ingredients, he says he's always excited to discover what the earth will yield next.
